CP From the I.G. of Prisons No. R.O.C. 1171/B2/38 dt 21.6.38.

Jails. Establishment - Jacob, warder, Central jail, Bellary - Counting military service towards increment.

Indian exsoldiers who have rendered active combatant service during the period 4-8-1914 to 11-11-1918, can when re-employed as warders in the jail Dept. count such active combatant service falling within the period specified for the purpose of increment in their pay as warders. Warder Jacob employed in the Central jail, Bellary, is reported to have rendered active combatant service from November 1917 to 4-4-1921. The actual date in 1917 on which he commenced his active combatant service is not known. The I.G. appears to have asked the A-G. to count the warder's ~~actual~~ active combatant service from 1-11-17 to which the A-G. has stated that the approval of the Govt. is necessary. The I.G. has therefore addressed the Govt.

2. If the I.G's suggestion to count the warder's active combatant service from 1-11-17 is accepted, it is noted that the period of service that would count for the increment in his pay is only from 1-11-1917 to 11-11-1918. ie 1 year

and 10 days. The warder's military Service is was certified to be active Combatant Service on 11-5-38. fn 2 c/f

The I.A. has not stated when the warder entered the jail Dept. ~~Claims for arrears payment~~ ~~can not be disputed~~ for periods exceeding one year prior to the date of detection of underpayments and the Sanction of the Govt. is necessary if a longer concession is to be granted for special reasons. It is not known whether there are any special circumstances to grant arrears for periods exceeding a year. No explanation has been given as to why the Military Service was not claimed earlier.

para 1 of Lr No 105 Fin 21 3 38. (Q)

3. When the Govt. considered whether the A.G. should be authorized to investigate the ~~case~~ claims of warder Suryanarayana ~~of~~ of the same jail who had rendered ~~total~~ active combatant Service for 10 months and 20 days, it was noted that an addition of 10 months and 20 days to the warder's Service would not make much difference in his increments and the Govt. declined to authorize the A.G. to investigate his arrear claims. The period of active combatant Service in the case of the warder in question that would count for increments is 1 year and 10 days. It is submd. for orders whether the I.A's request ~~to approve his action~~ may be negatived. ~~In which case the information required to~~ ~~in para 2 above may be obtained from the I.G. If~~ ~~the latter, a draft memo. is submd. for approval.~~
